Whale Watch Eco Cruise

Every year from late July to end of October you could be watching the amazing Southern (Humpback) Whales playing and resting in the sheltered waters of Hervey Bay. It is where the Mothers come to teach the new born young survival and communication techniques of breaching, fin and tail slapping, head lunging and feeding. These waters are also rich with dolphins and turtles which you can also enjoy watching during our whale eco-cruises and tours.

3/4 Day Whale Watching Cruises (Whale Eco-Cruise onboard 'Kasey Lee')

Guaranteed whale sightings as well as plenty of other marine & birdlife, with beautiful coastal cruising and all meals included.

Includes:

- 5 3/4 hour whale watching cruise on 'Kasey Lee'
- Offers plenty of time to see whale action close up.
- Regular dolphin & turtle spotting
- Dingo & sea eagle search
- Fraser Island coast cruise
- Full Educational commentary
- International Whale Marine Biologist on deck
- Modern sea going catamaran cruiser
- High back seating with three decks (Inc front viewing deck)
- Uncrowded walk-around carpeted decks
- Hydro-phone to listen to the whales song
- Free individual lunch platters
- Complimentary morning tea
- Afternoon cheese cake & fruit salad on return
- Children's games, kits, activities & educational video's
- Your welcome to visit the captain in the bridge
